

A pair of black leather lace-up shoes is shown from a top-down perspective, resting on a light-colored wooden floor. The shoes are positioned side-by-side, with the left shoe slightly behind the right one. The leather has a subtle texture and sheen. The laces are black and are tied in a standard knot. The soles of the shoes are visible at the bottom, showing a dark, possibly rubber, material. The background is a light-colored wooden floor with a visible grain pattern.
